*SACF College Chemistry Scholarships

The Society for Analytical Chemistry of Pittsburgh (SACF) has established an annual grant of up to $10,000 each (1) to promote high-quality undergraduate research in the field of analytical chemistry. Undergraduate students in the field of analytical chemistry are eligible to apply. The Society is committed to supporting and developing the research skills of chemistry and (2) to train and develop the research skills of chemistry. Students toward a career in Chemistry, or a related field.

SACF College Chemistry Grant

This year marks the presentation of the 32nd annual Analytical Chemistry Research Program (VAP) Grant.

Dr. R. A. Robinson
